Arts Council England	London (National)	Arts & Culture	Employer

I am a parent governor with two children at Wrington Primary and delighted to be able to support the staff and the Board of Governors in the future development and direction of the school. My professional career to date includes roles in communication, arts administration, higher education and customer service. My current role is as a senior human resources advisor within a national arts organisation. I am therefore familiar with the challenges faced by a publicly funded organisation and bring particular expertise in employment legislation and staffing.
