

The Federation of Burrington and Wroughton Church Schools

Let all that you do be done in love' 1 Corinthians 16:14

5th June 2020

Dear children,

I hope you are all well and had a lovely half term holiday. Perhaps it didn't feel much like a holiday as things are so strange at the moment.

As you probably know, we are hoping that some children will be returning to school next week or so. Although we would love to get back to normal and have everyone back, it is not possible at the moment, so some children will carry on learning at home!

If you are one of the children coming back, here is a link to an electronic book that Mrs Jones thought you might like to read as it might help you to know what to expect.

<https://www.elsa-support.co.uk/wp-content/uploads/2020/05/Coronavirus-back-to-school.pdf>

Whether you are coming back to school or not, we ALL have to continue following rules to help us stay safe:

1. Everyone must continue to wash their hands lots (remember to sing Happy Birthday twice).
2. We must also try to stay apart from people who don't live in the same house as us (unless it is our mum or dad).
3. If we cough or sneeze we should use a tissue and put it in the bin straight away.
4. Although we are allowed to see friends as long as we stay apart from them, we should not be in a group larger than 6.

We all need to work together to protect ourselves and be safe and well.

Do you have anything special that you are hoping to do this weekend? I'm looking forward to going on a long walk with my family and Amber. I noticed yesterday that there are weeds starting to grow in my vegetable patch so I will need to sort those out!

Next week I am hoping to do an online celebration service on Friday morning to which everyone will be invited. I'll be in touch with a computer link next week so that you can join me and others in our school.

Well, I must go. Stay safe and well and remember to always be the best version of yourself that you can be!

With love,

Ms Joskey
