Dear Friends,

I am writing to thank you all for your wonderful donation of Harvest produce; it is good that you are thinking of others at Harvest time. Your gifts help us to provide breakfast, a cooked lunch and hot drinks for those for whom life is difficult. Our aim is to provide relief for poverty and distress and we rely on others, like yourselves, to share that work with us through donations.

Things are continually getting tougher for our clients as it has become almost impossible to find housing. The much needed welfare reforms are in some cases so stringent, that we are now helping a far more diverse range of people, including families who are struggling to survive.

On behalf of everyone here, thank you so much for your interest, support and kindness.

With kind regards.
