TES Global Institute	London	Teacher Training	Education Consultant

Sarah Fuller lives in Upper Langford, in the parish of Burrington. Now semi-retired, she provides teaching cover support at Sidcot Junior School and works as an education consultant for TES Global. This means that she engages in teaching and learning across Key Stage 1 and Key Stage 2. Having been a teacher, Headteacher and lecturer at the University of the West of England (early years and primary education), she has experienced many Government initiatives in education over the past 20 years. Being involved in teacher training, means that she is familiar with the Teaching Standards and current National Curriculum. She has also been an External Examiner for Oxford Brookes University for a number of years. She had an earlier career as a nurse and Midwife. This gives her a perspective on child development, family and pastoral care. She has two grown up children, both married and one grandchild. She is an active member of All Saints Church, in Wrington. She was new to Wrington School, joining as a Foundation Governor in November 2016. She is on the Curriculum Committee and has taken on the role of Safeguarding and Looked After Children Governor.
