

## **Sarah Whitehouse**

I have been teaching at Wrington Church of England Primary School for 11 years, where I began as a Newly Qualified Teacher in September 2003, and currently work in Year 2. I also teach the Music throughout the school and enjoy working with this variety of year groups. I am the Assistant Head and the school's Subject Leader for Science and Music as well as being a Key Stage 1 Moderator for North Somerset. Prior to my appointment as Assistant Head, I was an Advanced Skills Teacher, providing help and support for schools and teachers across North Somerset.
